March 11, 2018

Welcome Cowboys and Cowgirls!

We are shooting INDOORS at Gunslinger's Range. We hope you enjoy shooting in a pleasant environment, namely indoors.

Safety is always on our minds, so let's all help each other to have a safe shoot. The usual safety guidelines are in effect. These will be touched upon at the shooter's meeting. The SASS Shooter's Handbook is the basis for our safety and shooting guidelines.

We will be using metal rifle targets and "paper" revolver targets. The paper targets will be scored after each shooter. So while the scorers are down range, do not handle your firearms.

This is a revolver and rifle match, no shotgun.

More instructions for the match will be given at the shooter's meeting.

We are planning on four or five stages today.
